Slow Learners and Advanced Learners

Because the students population that the English department serves, is so varied- BA, B.COM., and Bsc..So their learning goals must reflect attention to the needs of the students with very different personal goals. The learning goals of the English department focus on four main areas- analyzing written forms of human expression with the help of short stories and poems, appreciating a variety of critical techniques and aesthetics engaging in outreach to the local community, these things reflects departments' commitment to serve the students.

1] **Slow Learners-** The students are categorized into slow learners and advanced learners on the basis of the marks they got in tutorials and term end examination. The students of poor performance are categorized into slow learners. In this lecture series preference is given to acknowledge students' difficulties in understanding respective subject.

2] **Advanced learners-** The faculty of department of English allows the students to follow paths to advanced studies. The degree plans for all of the majors provide a good foundation for advanced study in English through their breath and depth of offering in careful reading practice critical enquiry and knowledge of literary genres and periods, such program allows students to discover the desire for advanced study

Slow Learners and Advanced Learners Identification and Activities:

2022 - 2023

1. Roles and Responsibilities of Subject Teacher:

DEPT. OF ENGLISH, IMV

40

PRINCIPAL
INDRAYANI MAHAVIDYALAYA
Talegaon (Dabhade)

Subject Teacher is responsible for carrying out different aspects of slow learner and advanced learner identification and activities to be conducted. Subject Teachers will be responsible for conducting class tests on their respective topics on the core papers of 10 marks with duration of one hour. Advanced and slow learners are identified based on their average performance in the class tests which have been conducted through Google Classroom. Their evaluation sheets have been prepared to get the list of advanced and slow learners. Separate online sessions have been conducted for advanced and slow learners. Slow learners were given extra care to clarify their doubts and related materials have been provided through Google Classroom and WhatsApp. Extra materials have been provided to the advanced learners for their needs and some extra academic activities have been given to them like preparation of presentation. After the publication of results of the current semester (2nd) it is noticed that the performance of both advanced and slow learners has been improved. Following records have been maintained: Slow and Advanced learners Activity Report, result of class test / unit test, List of slow learners, List of Advanced Learners, Schedule of activity for slow learners, records attendance for session conducted for both slow learners and advanced learners, Report of performance improvement for slow learners, List / Record of tasks given to advanced learners, Expected and actual Outcome in university result.

Aims and Objectives of Teaching to Slow Learners

- To identify the cause of slow.
- To reduce distractions by providing a quiet, private place to work.
- To increase confidence level of slow learners.
- To expand interest of them in learning process.
- To reduce fear and anxiety among them.

- To promote good mental health in students.

Aims and Objectives of Teaching to Advanced Learners

- Articulate the knowledge and skills.
- To develop students character.
- To develop thinking skills.
