Subject: Permission to start "Entrepreneurship Development Cell"

Respected Sir,

With a vision to bridge the gap between Industry and Academia, Department of Commerce is requesting to start Entrepreneurship Development Cell from Academic Year 2022-23. The cell will undertake several activities for student development wherein the student gets corporate exposure while studying and develops a spirit of entrepreneurship.

Entrepreneurship Development Cell will also supports businesses and innovators as they develop, launch, and commercialize their ideas and motivate the students to bring out their latent spirit of Entrepreneurship.

Kindly permit us to start Entrepreneurship Development Cell from AY 2022-23.

Thanking You,
Yours Sincerely,

Bhosale

Entrepreneurship Development Cell Academic Year 2022-23

Entrepreneurship Development Cell) was established on 09/11/22 with a vision to bridge the gap between Industry and Academia. The cell undertakes several activities for student development wherein the student gets corporate exposure while studying and develops a spirit of entrepreneurship.

This enables student capability enhancement as well as their alignment with Industry. This way the EDC at one stroke creates a win-win model for students as well as Industry.

EDC Supports businesses and innovators as they develop, launch, and commercialize their ideas and motivate the students to bring out their latent spirit of Entrepreneurship. Besides the above, EDC strives to narrow the gap between industry expectations and student capabilities.

OBJECTIVES OF COMMERCE ASSOCIATION

- To create awareness on Entrepreneurship among the students through training programs and camps.
- To enhance industry institute interaction through guest lectures
- To help students acquire necessary managerial and marketing skills to run an enterprise effectively.
- To generate entrepreneurship skills among the students to cope up with the current trends in the market.
- To help students channelize their goals to become a versatile entrepreneur.

Report of One Day visit to NIPHT's lab Talegaon, Dabhade

As a part of Curriculum One Day Study Visit was organised by Department of Science to all the S.Y B.Sc Botany students. To study the Tissue culture techniques and handling of equipments we have visited National Institute of Post Harvest Technology's Research and Training Centre, Talegaon Dabhade on 27th September 2022.

Tissue culture is in vitro maintenance and propagation of isolated cells tissues or organs in an appropriate artificial environment. Many plant cells can be induced to grow outside of their organ or tissue of origin under defined conditions when supplemented with a medium containing nutrients and growth factors.

Around 15 students of S.Y Botany along with Staff incharge Prof.P.B.Tallur and Lab Assistant Mr.Aniket Bokare have visited the Lab at 10.30 am. Lab Incharge Mr.Ovhal explained Tissue culture techniques like sterilization, Inoculation and Hardening processes to students by showing their plant samples. Students are also allowed to take the pictures of equipments and plantlets.

Mr.Ovhal sir also took all students to primary inoculation room and Hardening area and shown different plant samplings. Students gained the practical knowledge of all the steps and processes involved in Plant Tissue Culture techniques .

After observing all the plant sampling Mr.Ovhal sir addressed students and Mrs.Devyani Joshi, Student of S.Y Bsc gave vote of Thanks.

Workshop on "Perfume & Cosmetics Making"

Indrayani Mahavidyalaya Science Association (IMSA), Department Of Science had planned to organize a workshop on 'Perfume & Cosmetics Making'. The workshop was conducted for the T.Y & S.Y B. Sc students . The workshop was organized on 25-04-2023 from 9:00 am to 12:30 am.

The main objective of the workshop can offer several industrial benefits to the students by learning the process and technique involved in perfume and cosmetics making, students can acquire valuable skills that are directly applicable to the industry. This include the knowledge of ingredient selection, formulation, product development and quality control, entrepreneurial opportunities. This course can equip students with the necessary skills and knowledge to start their own perfume and cosmetics business. They can create and sell their own products, tapping into the growing demand for perfume and cosmetics. It allows the students to express their artistic side, develop their sense of smell and taste, and gain a deeper understanding of the science behind fragrance and cosmetic formulation.

At the start of the program, the program introduction was done by Mrs. D.P Sawant.

Our Head Of Science department Mr. R.K Nagalgaon sir addressed and welcome the students.

Our principal Dr. S.K Malghe addressed the students and told them the industrial application and highlighted the growing interest and demand for perfume and cosmetics worldwide.

The students have participated with great enthusiasm and the response was highly appreciable. The participated students were awarded with certificates.

To plan this event successfully Head of Science Department Mr.Rohit Nagalgaon sir and all the staff from science department have taken the efforts.

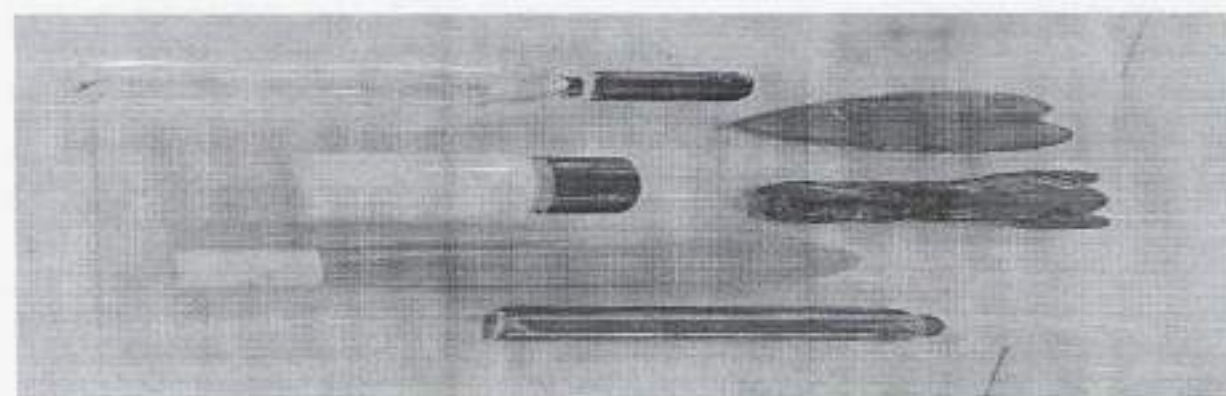

At the end of this session, the vote of thanks was delivered by Atharav Kulkarni.

Our institutes president Mr. Ramdas Kakade, Secretary Mr. Chandrakant Shete and Treasurer Mr. Shailesh Shah guided all the staff to plan this event successfully

REPORT ON ONE DAY WORKSHOP ON ANALYTICAL EQUIPMENTS

Indrayani Mahavidyalaya, Department of Science has planned visit to MAGS - IATRC laboratory, Bhosari for Academic year 2022-2023. This was conducted for the Third year B.Sc. (Microbiology and Chemistry) students. The workshop was organized on 10-02-2023 for 3 hrs. (11:00 am to 2:00 pm). The main objective of this educational visit (instrumentation laboratory) makes the students to understand about working of various instruments and their application in chemical and pharmaceutical industries.

Workshop was started at 11:00 am with theoretical introduction of analytical equipment's given by laboratory instructor Dr. Sandesh Kate Sir. He introduced various equipment's like GC, HPLC, UV-Visible Spectroscopy, KF-Autotitrator, pH meter, Dissolution Disintegration, Friability apparatus, Hardness Tester using power point presentation. This discussion was followed by Mr. Govind Deshpande Sir with some basic concepts and calculation part used at industrial level. He discussed wide range of points like Packing, Automatic compression machine, Capsule filling machine, Product flow in pharmaceutical industries. He gave information about different departments in pharma industries. Different aspects, different regulatory bodies in pharma industry were also introduced by him. Students were made aware regarding important terminologies used in industries.

In next half session working demo of all the equipment's were given to students. Both the laboratory instructor had guided the students for their numerous questions and doubts regarding working of equipment's. This visit indeed helped to build the gap between academics and industry. MoU was signed between MAGS-IATRC and Indrayani Mahavidyalaya for 3 academic years (2023-2026).

At the end of workshop T.Y.B.Sc students gave feedback by expressing their experience and views about this visit, they were highly delighted and motivated to attend such Interactive workshop with Microbiology faculty R.N.Chaudankar, V.S.Paikrao and Chemistry faculty D.P.Sawant, A.R.Shinde and lab assistant A.N.Bokare. Students as well as faculty members were felicitated with certificates for attending workshop.

The Successful conduction of this program was possible due to the efforts of S.K. Malghe sir, Principal, Indrayani Mahavidyalaya, Rohit Nagalgaon sir (HOD), entire staff of Department of Science and students of T.Y.B.Sc class. Total 39 students and 05 staff members were benefited by this visit.

Respected Sir,

On behalf of Indrayani Vidya Mandir's Indrayani Mahavidyalaya, Talegaon Dabhade and Department of Science, we extend sincere gratitude to you for giving your valuable time and providing practical knowledge regarding different analytical instruments and interacting with our students and faculty members.

Through this interactive visit, the students could get a chance to ask questions and clear their doubts. The lucid deliberation and information given by you will help the students in their future life.

We once again convey our hearty thanks to you for your valuable presence and time. The students indeed got an opportunity to learn from your knowledge and expertise.

Thanking you.
